

# FORSHAW

## The Heritage Mantel Series

## The Forshaw tradition...

Since 1871 the Forshaw name has stood for exceptional quality and value. Experienced craftsmen employ only the finest materials in producing a finished product that is not only beautiful, but durable as well. From the rich oak and attractive poplar mantels, to imported marble and slate surrounds and hearths, Forshaw guarantees your complete satisfaction. Craftsmanship, quality and pride.

## Custom Order Stain Options

All mantels & surrounds by Forshaw are available in primed MDF and Poplar for painting, or in oak, cherry or maple for staining. Stain them yourself or let us do it for you.

### **The Newport**

Fluted columns and center appliqué create an elegant style for any room.

Shown here in Oak with Cordovan finish and Crema Marfil Marble.

### **The Arched Newport**

Shown here in Painted White with Black Granite and optional hearth base.

### **The Newport Corner**

Mantel is a space saver for any room.

Shown here in Oak with Clearcoat finish.

### **The Arched Chestertown**

A contemporary mantel with fluted columns offers an aura of grace and style to any fireplace.

Shown here in Painted White  
with Grey Granite

### **The Chestertown Cabinet**

Shown here in Maple  
with Clearcoat finish and  
Emperador Dark Granite.

### **The Lawnsburg**

Is a larger version of our popular Kensington. The larger crown molding and wider legs are a perfect fit for today's larger fireplaces.

Shown here Painted White  
and Black Granite.

## **The Monticello**

From the estates of Virginia mansions, this is one of our most popular mantels.

Shown here in Maple with Clearcoat finish and Giallo Veneziano Granite.

## **The Arched Monticello**

Shown here in Painted White with Santa Cecilia Granite.

### **The Kensington**

Has a unique clean design  
that showcases the  
Cherry grain.

Shown here in Cordovan  
with Cherry finish and  
Green Marble.

### **The Arched Kensington**

Shown here in  
Painted White with  
Crema Marfil Marble.

### **The Windsor**

Is ready to accept the finish color of your choice. The Windsor will flatter any room in your home.

Shown here in Cherry with Cordovan finish and Green Marble.

**The Litchfield**  
Provides an aesthetically pleasing treatment to any fireplace.

Shown here in Painted White and Green Marble

### **The Jefferson**

Handcrafted from the finest oak. Its natural woodgrain is drawn out through the application of stain.

Shown here in Oak Clearcoat and Crema Marfil Marble.

### **The Mount Vernon**

Mantel represents traditional elegance at its best.

Shown here in Painted White and Magma Black Granite.

## The Yorktown

With its elegant lines and classic good looks that accentuate the fireplace's hearth and surround.

Shown here in Painted White and Green Granite.

## The Mendham

Center and leg applique's give this mantel a classic style that will add a flair to any fireplace.

Shown here in Painted White and Black Granite.

### **The Cambridge**

Offers an exciting design with truly rare detailing. Its crown molding and unique chair rail style trim combine to create architectural beauty.

Shown here in Oak with Cordovan finish and White Carrara Marble.

### **The Richmond**

Offers a simple yet graceful approach to mantel design.

Shown here in Painted White and Rojo Alicante Marble.

# Shelves

---

## **The Addison Shelf**

will add a natural finish to your fireplace. Shown here in Oak with Fruitwood finish and optional Corbels.

## **The Hamilton Shelf**

with routed edges and crown molding provides a classic elegance. Shown here in Oak with custom Walnut finish.

## **The Hamilton With Dentil Shelf**

provides a flexible option to elegantly cap brick. Shown here in Oak with Fruitwood finish and standard bottom trim.

## The Universal Surround

Provides a finishing touch to  
any fireplace.

Shown with Green Granite, and  
optional Hamilton shelf with dentil.

Actual color may vary from photograph, please contact  
your local dealer for samples.
